( 7:30, p.m. 14, June )

Recently, the Tapanese air force, has carried out repeated bombing attacks Chungking. The wily Chinese, however, have intentionally built their sir-defense betteries and other military constructions side in side with the various establishments of the Third Fourts Standing in and near the city, thus presenting enormous inconvenence to cur attack. Therefore the Imperial Government, for fear of involving casual damage to the governmental as well as civi 'a rights and interests of these Third Powers, has submitted notes on this 14th day to the Governments of Pritain, Trance, Germany, Relgium, U.S.S.R, M.S.A. etc. In these rotes the Imperial Government recommended the above Gover ments to 'aka adequate and prompt steps for the temporary refuse of fleir nationals to some safe area until the termination of the Japanese attack on Chungking. At the care time it was also notified formally that the Japanese forces would unfantile not to attack a certain specified quanter lains on the south
